

REMARKS

At the outset, the Examiner is thanked for the thorough review and consideration of the pending application. The office action dated December 28, 2005 has been received and its contents carefully reviewed.

In the Office Action, claims 1-4, 9, and 12-14 are rejected under 35 U.S.C. §102(b) as being anticipated by 100313946 ('946). Claims 5, 6, and 15 are rejected under 35 U.S.C. §103(a) as being unpatentable over '946. Claims 7, 8, 10, and 11 are objected to.

Applicants amend claims 1, 7, 8, and 12 and cancel claims 9 and 10. The rejection of claims 1-4 and 12-14 is respectfully traversed and reconsideration is requested. Claims 1-8 and 12-15 are allowable over the cited references in that each of these claims recites a combination of elements including, for example, "the pixel region has a substantially rectangular structure, and wherein the liquid crystal display device includes a pixel having red, green, blue and white sub-pixels, wherein each sub-pixel corresponds to the pixel region". None of the cited references including '946, singly or in combination, teaches or suggests at least this feature of the claimed invention. Accordingly, Applicant respectfully submits that claim 1 and claims 2-8, which depend from claim 1, and claim 12 and claims 13-15, which depend from claim 12, are allowable over the cited references.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

If these papers are not considered timely filed by the Patent and Trademark Office, then a petition is hereby made under 37 C.F.R. § 1.136, and any additional fees required under 37 C.F.R. § 1.136 for any necessary extension of time, or any other fees required to complete the

filing of this response, may be charged to Deposit Account No. 50-0911. Please credit any overpayment to deposit Account No. 50-0911.

Dated: March 28, 2006

Respectfully submitted,

By
